## Overview

Abhinav is an Associate in Dentons Rodyk's Litigation Practice.

Abhinav is primarily a disputes lawyer, with concurrent experience in transactional work. He has a keen interest in restructuring and insolvency, disputes in the infrastructure, construction and engineering industry, as well as acting for client in professional negligence matters. Abhinav has also worked on the drafting and review of construction contracts and financing facility agreements.

Abhinav has an affable nature, enjoys interacting with people, and has been recognised by clients for his "professionalism, clear counsel, and empathy".

When taking a break from work, Abhinav enjoys travelling the world and filming aerial shots with his drones. His personal motto, borrowed from Theodore Roosevelt, is that "Comparison is the thief of joy".

## Experience

- **Liquidators of Construction Main Contractor:** Acted for the liquidators in the winding-up of a construction main contractor company, including pursuing a Mareva injunction and clawback action against the defunct company's former directors and officers.
- **Forbes listed business person:** Assisted with defending a prominent business person in the Singapore International Commercial Court against a claim for enforcement of letters of support.
- **Multi-National M&E Construction Firm:** Acted for a foreign-based M&E construction firm in a multi-million dollar claim against a multi-national main contractor under the Building and Construction Industry Security of Payment Act (Cap. 30B).
- **Multi-National Manufacturing Company:** Acted for a Hong Kong based industrial manufacturing company in relation to a large claim in the Singapore High Court for outstanding payment due on goods delivered.
- **Sale of Fake Art:** Acted for clients in a claim for misrepresentation and breach of contract against an alleged art dealer for the sale of counterfeit art pieces.

- **SGX Mainboard Listed Company:** Assisting with drafting a multi-million dollar facility agreement for a listed company
