

# Dentons Rodyk Academy Seminar: Global Succession Planning for Singapore High Net Worth Individuals (HNWIs): Tax & Structuring Considerations

DENTONS RODYK

## Date and time:

**Start:** October 4, 2019, 4:30 PM SGT

**End:** October 4, 2019, 6:00 PM SGT

## Location:

**Dentons Rodyk**

Level 33 at UOB Plaza 1

80 Raffles Place

Singapore, 048624

**Singapore**

## Synopsis

High net worth individuals in Singapore often invest in a variety of asset classes, in various jurisdictions. But many of them have not considered the tax consequences in the various jurisdictions if they were to pass away owning those assets. Singapore has no estate duty or capital gains tax, but the same cannot be said for most other jurisdictions where their investments may be located. The speaker will consider some common traps for the unwary, and possible solutions for how they may be avoided.
