, a leader on the 2017 Acritas Asia Pacific Law Firm Brand Index, created the dominant global law firm in the Pacific Rim with more than 85 offices in the region. With more than 9,000 lawyers serving 78 countries, the Firm offers clients the benefit of quality experience in and of the communities in which they want to do business or resolve a dispute—from Canada and the United States, across Europe, the United Kingdom, the Middle East and Africa, and throughout the Asia Pacific region.

Our presence in Southeast Asia is growing. Building on our regional expertise and service offerings, we launched our office in Myanmar, Dentons Myanmar Limited, in 2017, which makes us the largest international law firm to set up in Yangon. Despite being the fastest growing economy in Southeast Asia in the last two years, Myanmar is currently still underserved by global law firms. Our entry is timely and an important part of our regional strategy. Our team in Yangon comprises both highly experienced international and local lawyers, who have a deep understanding of the country's regulatory and business environment.
