

Real Estate Associate

Posted on Feb 25, 2019

We are looking for Singapore qualified lawyers with:

- **2 to 6 years' PQE in Corporate Real Estate**

You will be part of our team of corporate transactional real estate lawyers who are involved in real estate dispositions and acquisitions of different real estate asset classes, which includes commercial, industrial, hospitality and residential assets. For these transactions, the clients are all established institutional clients including developers of project developments, institutional investors for Investment grade assets and the transaction may also cover project financing and mergers and acquisitions of companies holding the real estate assets.

Successful candidate will be involved in drafting and negotiations and the transactions may also include advisory and structuring of different mixed use asset classes. Experience in corporate real estate transactions is an advantage.

- **1 to 5 years' PQE in Real Estate for the Commercial Leasing Practice**

Successful candidate will be doing real estate related transactions involving real estate contracts including leasing and land rights contracts and transaction negotiations. Experience in corporate real estate or corporate work is an advantage.

We thank you for your interest. Due to the volume of applications, we will only contact shortlisted candidates. An interview will be arranged with a shortlisted candidate as soon as possible after the application is received. Applications sent to email addresses other than

sg.careers@dentons.com

will be disregarded.

By submitting your application, you consent that Dentons Rodyk & Davidson LLP may collect, use and/or disclose your personal data and/or other information contained in your application for the purpose of processing your application, including without limitation conducting screening and background checks. Where your application contains personal data of third parties, you confirm that you have obtained all necessary consents to provide us with such personal data and that we may collect, use and/or disclose such personal data in accordance with the Personal Data Protection Act 2012.
