

Trade and Commodity Finance in Singapore

Overview

Benefit from a Trade and Commodity Finance practice which takes pride in its depth of knowledge and understanding of the commercial issues involved in trade and commodity finance activities.

No matter where you are in the process, benefit from targeted and thoughtful advice on various types of trade finance facilities, including factoring, purchase order financing, pre-export and post-shipment commodity financing, counter trade and letters of credit, in addition to security documentation, risk participation, insurance matters, as well as financial instruments designed to mitigate credit and political risk.

Wherever you are along the commodity trade value chain—producers, distributors, traders, borrowers, lenders or government agencies—rely on our capabilities in:

- Commodity financing
- Compliance and regulatory advice
- Credit facilities
- Factoring
- Risk management and participation
