

Overview

Singapore is a global financial hub and an important base for capital in the Asia Pacific region with more than 200 banks based here. Rely on our Finance team and their familiarity with the sector to provide responsive, practical solutions to all your domestic and foreign legal challenges.

From simple, domestic lending transactions to the most complex, cross-border financing deals, benefit from our expansive capabilities covering acquisition finance, asset-based lending, aviation finance, corporate and commercial lending, syndicated financing, debt and capital markets, equipment leasing and finance, media and entertainment financing, hotel financing, Islamic finance, project finance, real estate finance, retail and consumer finance, ship and marine finance, trade and commodity finance and venture technology finance.

We understand your business and have developed deep legal experience handling matters across a broad range of commercial services and sectors like real estate, technology, media and telecoms, litigation and employment. This pairing of our sweeping legal abilities and grasp of your business can prove critical to the success of any financing arrangement, deal or transaction.

Whether you face legal obstacles in Singapore or your business takes you across the world, take advantage of a finance team with lawyers and professionals in more than 50 countries.

Areas of focus include:

- Islamic Finance
- Project Finance
- Real Estate Finance
- Ship and Marine Finance
- Trade and Commodity Finance
