

Venture Technology and Emerging Growth Companies in Singapore

Overview

As an entrepreneur, you will face formidable challenges ranging from accessing capital to protecting intellectual property, recruiting and retaining top talent to relentlessly pursuing your first market-validating sale—a tall order that must be addressed in a fast-paced marketplace. To evolve your idea from inception to mature business, you need a legal and strategic advisor experienced in this terrain.

Dentons Rodyk's Venture Technology and Emerging Growth Companies Practice Group offers an extensive and business-focused range of legal services to founders, entrepreneurs, startups, emerging growth companies, accelerators and incubators as well as seed and venture capital funds and other institutional investors.

Our services include incorporation of entities, drafting and reviewing term sheets, investment agreements, shareholders' agreements and ancillary agreements for all levels of investments (from seed stage to Series E and beyond), drafting and reviewing contracts and agreements, and eventually exits via IPO, trade sale or mergers. Our lawyers have been and are continuously involved in the startup and VC landscape in Singapore.

At Dentons Rodyk, we have the breadth and depth of experience in representing entrepreneurs in both new and mature industries. You gain legal insight, creative solutions and nimble strategies to drive your business throughout its lifespan from birth to exit. Together, we anticipate critical issues so that you can respond to changing conditions and remain ahead.

Leverage our network of high-net-worth individuals, family offices, family offices, global venture capital and investment banking relationships to pave your way forward. Build your emerging growth company alongside advisors who embrace your ideas and work tirelessly to guide them to fruition with our connections across the ecosystem.

With global reach from offices in key technology markets around the world, including Silicon Valley, New York, Boston, Vancouver, Toronto, London, Berlin, Moscow, Beijing and Singapore, Dentons Rodyk offers a unique perspective on evolving industry trends and emerging market opportunities.
