

White Collar and Government Investigations in Singapore

Overview

To undergo a criminal investigation can be a long, drawn-out process that is stressful, tiring and tedious. However, legal advice should still be sought as soon as possible in criminal matters.

At Dentons Rodyk, we strive to protect the rights of our clients. We understand the emotional turmoil that you may face when asked to assist in investigations by the Police or other enforcement agencies. Rely on our team of criminal lawyers to help and guide you through your legal matters, and receive dedicated representation throughout the courtroom process.
